# St. Louis Delta Zeta Alumnae Newsletter

St. Louis, MO \* March 2009 \* Volume 63 No 2

## Enriching Your and Others Lives!

Dear Sisters in Delta Zeta:

I often think about the new Delta Zeta brand, "**Enriching**". I love the idea behind the brand and all the positive memories it gives me. Delta Zeta is so many things, to so many of her members. Delta Zeta can be good memories that have been in the past and memories that you make with your Delta Zeta friends in the present and future.

Delta Zetas work toward so many philanthropic endeavors, enriching all, to make the world a better place. This year is the year the St. Louis Alumnae Chapter does the same, in our bi-annual Flame Fantasy luncheon. For years women have come together to work toward the philanthropic goals of the sorority.

I would like to personally invite you to join us for a wonderful afternoon, on April 25th to share in sisterhood and service. This afternoon is a time to reconnect with sisters and to bring friends and family to experience the wonderful devotion Delta Zeta has to others through service.

In the flame,

Laurie Tretter  
Saint Louis Alumnae Chapter President

## UMSL Alumni Weekend and Greek Alumni Party

The UMSL Alumni Association is hosting the first Alumni Weekend, April 17-18.

On Friday night, the activities kick off with a Red and Gold Bash on campus at the Nosh in the Millennium Student Center. At 7:30 p.m., the party moves to Marley's (formerly Greeks) for a special All-Greek Alumni Party with free appetizers and drink specials.

On Saturday, tour the campus to see what has changed since you graduated. Return to the classroom for lively discussions led by UMSL faculty. And bring your family to the cookout. For more information, go to [www.umslalumni.org/alumniweekend](http://www.umslalumni.org/alumniweekend)

We are hoping to have a big turnout out for all the events, but especially for the Greek Party.
