Delta Zetas are Always Ready for a Party! Founder's Day Party!

On October 16, 2009 Delta Zeta Alumnae and collegiates gathered for dinner and a show. This show was a benefit for the Variety Club. Thanks for participating.

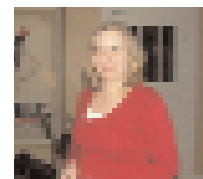

Dear Delta Zeta Sisters:

I just love the fall season. I love pumpkin spice latte's from Starbucks and their pumpkin scones. (No, this is not an advertisement for Starbucks.) Another thing I love about fall is that Founder's Day falls during this time. I want to thank Lindsay Jakul, St. Louis Alumnae Philanthropy Chair and Iota Xi Recruitment Advisor, for helping to plan a special Founder's Day Event that was held October 16, 2009, for the St. Louis Area Members. Alumni and Collegiate members enjoyed a night of dinner, a show and cake at the Iota Xi Sorority House. The special show "The Adventures of Tom Sawyer" was put on and donations went to the St. Louis Variety Children's Network. It was a wonderful time to support a wonderful charity while celebrating our sisterhood.

In the next few months we have some wonderful events planned. Please read the details in this newsletter and plan on joining us for an event. We would love to see you there. We are also holding our biannual officer elections and would be happy to have you help serve our organization in anyway.

Again we hope to see you soon! Have a wonderful fall season!
